Statement of commitment to child safety

Belmore School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences. Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

The [Child Safety Code of Conduct](#) also includes processes to report inappropriate behaviour.

Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

Establishing a culturally safe environment

At Belmore School, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Begin events and meetings with a Welcome to Country or an Acknowledgement of Country as a standing agenda item. Use this as an opportunity to pause and reflect or open a discussion.
- Fly the Aboriginal and Torres Strait Islander flags on school grounds.
- Display plaques and signs to Acknowledge Country and Traditional Owners.
- Make Aboriginal voice part of decision making in matters that affect Aboriginal students. Be open to different ways of doing and expressing things.
- Celebrate the local Aboriginal community in communications with students, staff, volunteers and families. Share information through school newsletters, school assemblies, parent information nights.
- Lead on safety and inclusion for all Aboriginal students and their families. Learn more about Aboriginal histories and cultures, both locally and across Australia. Speak with respect and confidence about Aboriginal culture, knowledge systems and people.
- Build school wide knowledge of Aboriginal histories, cultures, perspectives, values, skills and attitudes.

Student empowerment

To support child safety and wellbeing at Belmore School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our whole school approach to Respectful Relationships, School Wide Positive Behaviour, our student Code of Conduct, our school values.

To realise our vision, our school has in place a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in the school.

At Belmore School we:

- Promote the emotional and social health of all students e.g. positive learning experiences, engagement with a wide range of curriculum programs, social interactions with peers, enrolment meetings and therapy assessments, Student Support Group meetings [SSGs], home communication books, transition procedures, SSSO support through the referral process
- Promote strengths, wellbeing and positive developmental outcomes in all areas of a students' development (social, emotional, intellectual and physical) e.g. Individual Education Plans (IEP) detailing specific goals, age appropriate curriculum, and positive behaviour support plans.
- Promote an inclusive approach, so that each student has an optimal opportunity to learn in programs.
- Develop a sense of belonging – e.g. school assemblies, school concert, acknowledgment of achievements, a student leader's team, student surveys.
- Set clear, positive standards of behaviour (Belmore Student Code of Conduct), which is displayed in classrooms and general areas of the school, such as the corridors and the hall.
- Develop effective coping, social and problem solving skills.
- Promote and incorporate child safe strategies in every classroom and school areas.

We inform students of their rights through our whole school approach to Respectful Relationships and School Wide Positive Behaviour and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time.

Students and families can also access information on how to report concerns at the school reception or via email.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

- Inform students of their rights
- Empower students to contribute to school life
- Empower students to raise their concerns
- Strengthen peer support for safety and wellbeing
